# SCHOOL MEMBERSHIP ART GALLERY OF BALLARAT 2018

A visit to an art gallery helps students to develop skills in creativity, visual literacy and communication.

It makes sense for your school to become a Member of the Art Gallery of Ballarat and get the most out of your local regional gallery.

## THE ART GALLERY OF BALLARAT

The Art Gallery of Ballarat is the oldest and largest regional art gallery in Australia. Its permanent collection provides insights into Australia's art, culture and society through paintings, prints and drawings and sculpture from early colonial through to contemporary and Indigenous works. It also includes work of regional artists and works depicting the growth of Ballarat.

The Gallery's temporary exhibitions provide opportunities to connect artworks to a range of different study areas and means that there is always something new for you and your students to see.

## WHAT DO WE OFFER?

The Art Gallery of Ballarat offers a range of programs designed for Kindergarten, Primary, Secondary and Tertiary students as well as educators and community or youth groups.

Programs focus on the collection or on temporary exhibitions. Education Officers can design programs to connect to specific themes which students are exploring as part of an inquiry unit.

Tours and activities are generally designed to be completed in forty-five minutes to one hour.
